Price	$8,400.00
Sales Price	$8,300.00

Description

OVERVIEW

We have a new Bull for the 2020 market. It's our 8" I-Beam equipment hauler EWB model. This trailer differs from our ETB model primarily in sub-frame construction techniques and materials. In addition to the monobeam frame construction, this trailer also receives our new supersized full tongue front toolbox as standard equipment and can be equipped with our rampage ramps or 6' fold up ramps. You will still find several great Iron Bull standards on this trailer such as Dexter Nev-R-Adjust brake axles and radial tires, Sherwin-Williams Powdurda Powder coat, and USA made LEDs are provided by TecNic lighting. Each EWB trailer also comes equipped with D-Ring tie downs, removable diamond plate fenders, and adjustable coupler. And, as always, these trailers are covered by our industry-best IronClad warranty providing three year structural, two year component and two year free roadside assistance.
